SULLIVAN BANK

P.O. Box 489
Sullivan, MO 63080

Dear Valued Sullivan Bank Money Market Account Customers,

For 125 years now, Sullivan Bank has weathered all storms faced by the banking system. We have a record of strong, independent banking and we will be available for our clients and friends as we get through these unprecedented times.

In an effort to help you successfully navigate this season of uncertainty regarding the COVID-19 crisis, the Federal Reserve has removed the six transfer limits to allow customers to make an unlimited number of convenient transfers and withdrawals from their money market account. Furthermore, there is normally a $10 fee for any exceeding transaction in excess of the 6 withdrawals/transfers, but Sullivan Bank will be waiving the $10 fee until June 30, 2020.
While we know these changes are small and are for a limited time, we hope they help ease some of the financial burden that this unprecedented pandemic may have caused you and/or your family.

If you have any questions regarding your financial needs, please contact a Financial Service Representative at your local Sullivan Bank branch location.

Thank you for your continued business with Sullivan Bank.

Stay safe and healthy!

Sincerely,
Michael P. Hoffman
President & CEO
