## Bank of Sullivan is Stepping up Service with a New Name, Logo and Website!

At Bank of Sullivan, we're changing what you see and say - giving you the level of service you expect and things are only going to get better. Welcome to Sullivan Bank.

For more than a century, our customers in Missouri have looked to Bank of Sullivan for stability, strength and service. As we enter our 125th year, we will continue that tradition of serving customers and supporting our neighbors with a shorter name and sharper look. On Jan. 6, Bank of Sullivan became Sullivan Bank with a new logo and website while retaining the same mix of services, resources and familiar faces you know and trust. From personal banking to business and mortgage lending, Sullivan Bank will continue to meet your diverse needs.

“Change isn’t always easy but doing business with Sullivan Bank always will be,” said Sullivan Bank President and CEO Mike Hoffman. “The changes customers see on our signs, in our banks and throughout the community are our way of commemorating more than 100 years of building loyal and lasting relationships.”

Stepping up service for customers the minute they enter one of Sullivan Bank’s eight branches is just the beginning. For our customers who prefer to bank from their computer or phone, we’ve also revamped our website at [sullivanbank.com](http://sullivanbank.com).

“We think customers will love the simplicity and streamlined look of our new website,” Hoffman said. “Improving accessibility and embracing innovation are just more ways we’re stepping up service in 2020.”

Sullivan Bank is excited to usher in the new chapter of a story that dates back to 1895, when the bank opened with \$7,000 in assets. At the time, Sullivan was a town of 750. Today, Sullivan Bank has branches in Sullivan, Cuba, Union, Labadie, Sunrise Beach, Pleasant Hope, Springfield, and soon St. Clair.

**About Sullivan Bank** – Built on a solid foundation, Sullivan Bank has served its communities with sound management and integrity for decades.
