Need To Relax Without A Fee?

In Missouri, June 8 & 9 are “Free Fishing Days”. The Department of Conservation suspends the requirement for fishing permits, trout permits and daily tags. Special permits still may be needed at some county, city or private areas, but fishing is free in most waters of the state. Regulations regarding size and daily limits remain in effect.

Many conservation areas that offer Free Fishing Days programs also have gear you can use at no charge. Area Free Fishing Days programs appear on the internet link page from April until the opportunity ends in June. For more information about Free Fishing Days, call your nearest regional office. For more information go to <https://huntfish.mdc.mo.gov/fishing/get-started-fishing/free-fishing-days>.

Let Us Serve You All The Time!

Hendrith Smith said about banks, “Banks are to the economy what the heart is to the human body. They cycle necessary capital through the whole, and they are barely noticed until pressure, necessity or crises.” While we like the idea that banks are necessary, we really embrace the idea of being there for our customer all of the time, not just when the pressure is really on or you have a financial necessity! We can help make your life easier through our easy-to-handle deposit accounts,

helping to invest your savings, or the many digital means we have to make your life easier. Call us today and let us show you some time-saving tools such

...”Banks are to the economy what the heart is to the human body...”

as our mobile deposits, mymobile-money app or Secured Alerts on your account.

Need Some Appliances, But Want To Save Some Money?

From April 19 – 25, Missourians won't have to pay sales tax for new, energy efficient appliances. During that week, the state is waiving its sales tax on the first \$1,500 of items such as washing machines, refrigerators, freezers, dishwashers, water heaters, furnaces and air conditioners if the new appliance is Energy Star-certified. To see what counties are participating, you can visit the Show-Me Green Sales Tax Holiday website at <http://dor.mo.gov/business/sales/taxholiday/green/>.
